Architectural Intern
Jamie Cannon Associates
Saint Louis, MO 10/93-7/94
Prepared construction documents, details, etc. for academic and laboratory facilities. Designed a series of light fixtures and oversaw their construction. Managed the design development process for Camp Fiddlecreek.

T E A C H I N G

Senior Lecturer
California College of the Arts
San Francisco, CA 9/07-1/08
Taught a sophomore year undergraduate design studio which exposed students to the basic underpinnings of architectural design. The studio began with studies of the body in space and culminated with the design of a dwelling.

Advisor
California Polytechnic Institute
San Luis Obispo, CA 4/07-6/07
Prepared a series of lectures for Architectural Practice 443 which provided an extensive overview of the entire design process for a WRT-Solomon ETC affordable housing project. Reviewed the drafts of students' case study presentations.

Lecturer
University of California, Berkeley
Berkeley, CA 6/06-8/06
Taught an undergraduate 100A design studio which exposed students to the fundamentals of architectural design. Organized lectures, presentations, and assignments which considered the relationship between art and architecture.

Architecture Instructor
Boston Architectural Center
Boston, MA 8/96-6/00
Taught advanced design studios and thesis studios for both undergraduate and master's students from 1998-2000. Member of Sketch Problem Committee in 1996 and 1997.

Architecture Instructor
Harvard Univ. Career Discovery
Cambridge, MA 6/97-8/97
Taught a design studio for students who were considering architecture as a career. Developed pedagogical objectives for the studio, organized lectures and presentations, and introduced students to basic design techniques.
